PART 1 - GENERAL DESCRIPTION OF THE COMPANY'S ACTIVITIES AND IMPACT

In the space provided below, please insert a general account of the company's activities in the financial year to which the report relates, including a description of how they have benefited the community.

The Friends of Parkinson's Park have continued to work on our core projects which include maintaining and improving the Community Orchard, maintaining the Bog Garden, planting of spring bulbs and holding our events which are much loved by everyone locally.

These include our Traditional Children's Gala in September and The Lantern Parade in December

We have been involved in spreading woodchip to enable the local community to access all areas of the park especially during the wet and wintery months of the year.

Litter picking has been an ongoing task and has improved the look of the park also.

We have worked hard to encourage people to pick up and remove dog poo and this has decreased in volume.

We also took part in the Great British Spring Clean

(If applicable, please just state "A social audit report covering these points is attached").

(Please continue on separate continuation sheet if necessary.)

PART 2 – CONSULTATION WITH STAKEHOLDERS – A “stakeholder” is any person or organisation affected by the company’s activities. Please indicate who the company’s stakeholders are; how the stakeholders have been consulted and what action has the company taken in response to feedback from its consultations. If there has been no consultation you must state ‘There has been no stakeholder consultation held’.

We engage directly with a variety of stakeholders via social media eg our Facebook page has over 1000 members now and we also have a website.

Stakeholders are encouraged to post on a variety of topics and we take their views into account when planning our activities.

At our Gala we have our own Friends stall and this enables us to interact directly with many park users and gather their views.

We have not held a formal consultation this year but this is something we are planning to do in the near future.

Stakeholders include local churches including St Oswalds Eco Team, The Honey Badger Scout Group who have been assisting with projects eg the Jubilee Tree and strimming where there has been a need to cut back areas which are overgrown.

Open Country a local charity working with adults with additional needs have been assisting us on a regular basis eg in the bog garden and helping with woodchipping.

We work closely with local councillors who help with funding of our events such as the Children’s Gala and the Lantern Parade.

We also work with other voluntary organisations eg The Aireborough Camera Club and Guiseley Brass Band.

This year we had a stall at Guiseley Carnival which helped to raise awareness of who we are and what we do and over the Christmas period we joined in with the local church Christmas Tree Festival which was visited by many folk in the local community.

(If applicable, please just state “A social audit report covering these points is attached”).
